1. **WELCOME AND INTRODUCTIONS**

The UIA Board of Directors held an electronic special board meeting and public hearing on Monday, May 10, 2021. The meeting was live streamed to allow public viewing. UIA Chairman Alex Jensen (Layton) called the meeting to order at 8:38 AM. He welcomed all attendees.

UIA Total Votes Present: 428
UIA Majority Vote: 220
UIA 2/3 Vote: 293
2. PUBLIC HEARING

- PUBLIC HEARING TO ALLOW PUBLIC INPUT REGARDING (A) THE ISSUANCE AND SALE OF NOT MORE THAN $21 MILLION AGGREGATE PRINCIPAL AMOUNT OF TELECOMMUNICATIONS AND FRANCHISE TAX REVENUE BONDS (PLEASANT GROVE CITY PROJECT) SERIES 2021 (THE “BONDS”); AND (B) ANY POTENTIAL ECONOMIC IMPACT THAT THE PROJECT DESCRIBED HEREIN TO BE FINANCED WITH THE PROCEEDS OF THE SERIES 2021 BONDS ISSUED UNDER THE ACT MAY HAVE ON THE PRIVATE SECTOR; AND ALL RELATED MATTERS.

ACTION: Jason Roberts (Brigham City) MOVED to open the public hearing regarding the Pleasant Grove Bond. Brant Hanson (Centerville City) SECONDED the motion. A roll call vote was taken - vote was unanimous.

Mr. Roger Timmerman, UIA Chief Executive Officer, stated this is the same structure as recent projects. There is no exposure to UIA because the cost is backstopped by the city in the financing terms. There is a mutual benefit of expanding the network and increasing revenues. Of all the projects UIA has considered, this is the most attractive. There are high expectations for take rate and revenues with a relatively low debt burden that is proportionally low to the number of homes. There are already a decent amount of business customers in Pleasant Grove. Only a 30% take rate is needed. The city borders Lindon and is close to Orem which both have high take rates. There is great support from the City Council and they gave a unanimous vote. Many of the obstacles that tie things up have already been passed like railroad crossings and canals.

Mr. Matt Dahl, Midvale City, asked how taking on new projects like this impacts access in existing communities and remaining member city builds.

Mr. Timmerman stated there are areas remaining in Orem, Midvale, Murray, and West Valley City. Finishing the buildout is sometimes subject to third party dependencies such as canals. Rocky Mountain Power is often the hold up in those areas. Not doing Pleasant Grove and using those resources for member cities will not complete the buildout any faster due to third party dependencies. There is excess capacity with contractors that allows for projects like Pleasant Grove along with completing the member city buildout. Progress has been good with meeting the buildout schedule.

There was no public comments.

ACTION: Jason Roberts (Brigham City) MOVED to close the public hearing regarding the Pleasant Grove Bond. Matt Dahl (Midvale City) SECONDED the motion. A roll call vote was taken - vote was unanimous.

3. CONSIDER APPROVAL OF RESOLUTION 21-05: AUTHORIZING AND APPROVING A PRELIMINARY OFFICIAL STATEMENT IN CONNECTION WITH THE ISSUANCE AND SALE OF THE AGENCY’S TELECOMMUNICATIONS AND FRANCHISE TAX REVENUE BONDS (PLEASANT GROVE CITY PROJECT), SERIES
2021; AUTHORIZING THE TAKING OF ALL OTHER ACTIONS NECESSARY TO THE
CONSUMMATION OF THE TRANSACTIONS CONTEMPLATED BY THE
RESOLUTION; AND RELATED MATTERS

Mr. Nathan Robertson, Lewis Young Robertson & Burningham, stated the financing is moving
along nicely. The ratings presentation went very well last week. The rating is anticipated next
week. The Preliminary Official Statement will be released in the market, pricing in early June and
closing June 16th. Interest rates are also moving in the organization’s favor.

Mr. Brad Patterson, Gilmore & Bell, explained this resolution authorizes the preparation,
distribution and use of the Preliminary Official Statement in connection with the issuance of the
Series 2021 Bonds with the Pleasant Grove City Project. Federal securities law requires certain
actions taken before sending out an offering document. To offer bonds to the public an offering
document must be prepared and circulated. The offering document must be reviewed and approved
by members of the board.

Mr. Jensen asked if there is a different reaction from the rating agencies toward what UIA and
UTOPIA is doing because of the pandemic.

Mr. Timmerman stated they are excited and interested in what the organization does but at the end
of the day they just look at the revenue pledge when it comes to the rating. There is certainly
growing interest and demand in UTOPIA’s product and the track record is better each time the
organization goes back to the rating agencies.

ACTION: Jamie Davidson (Orem City) MOVED to approve Resolution 21-05 approving a
Preliminary Official Statement in connection with the Pleasant Grove Bond. Nicole Cottle
(West Valley City) SECONDED the motion. A roll call vote was taken - vote was unanimous.
