- Item presented by Mr. Jason Roberts, UTOPIA Chief Financial Officer
- Projected budget vs. adopted budget as of October 31, 2025
  - Projecting revenue to be over budget, primarily due to partnerships with Bountiful and Yellowstone Fiber
  - Some expenses for Payroll and Marketing running low – may be seasonal
  - Professional Services projected \$300,000 over budget; about \$240,000 due to payment processor, Xpress Bill Pay, which has significantly increased fees
    - Mr. Roberts will reach out to city Finance Directors to see what they are facing regarding this issue
  - Higher than budgeted expenses are:
    - Maintenance – tends to slow down in winter
    - Relocate cost – mostly government required
    - HVAC charges – cabinets and huts all over cities
  - Capital Items
    - Bountiful Construction Project addressed – monitoring project very closely and it is cash flow positive
